

First Signal Frequency Response:

Dashed Line = Initial setting: Yamada and this embodiment of the present invention outputs equal.

Dash & Dots = Adjusted, Yamada (Fig.1 #15 output)

Solid Line = After adjustment for this embodiment (Fig.2A #12 output)

Second Signal Frequency Response:

Dashed Line = Initial setting: Yamada and this embodiment of the present invention outputs equal.

Dash & Dots = Adjusted, Yamada (Fig.1 #16 output)

Solid Line = After adjustment for this embodiment (Fig.2A #22 output)
